THE HIGHEST QUALITY

Quality, value, and customer service have made Strong / MDI a world leader in the cinema screen business. The Strong / MDI Viceroy screen has been designed and manufactured using the same materials and care used to make our line of cinema screens. Strong / MDI supplies cinemas World Wide with high quality screens. Our products are used and trusted by major theatre chains, specialty theatres, and the large format industry.

LOOK FOR THE VALUE

The Strong / MDI Viceroy screen is the best value available when budgeting for a home theatre.

Options that cost hundreds of dollars on other models come standard on the Viceroy at no additional cost. Strong / MDI stand by his products and are fully guaranteed.

VICEROY | SERIES SPECIFICATIONS

FRAME

Frames are manufactured from extruded aluminum. The frame measures 2" therefore adding 4" to the overall height and width of the screen assembly. All our frames include are covered with flat black paint which absorbs light and greatly improves the appearance of the screen. Our unique aluminum extrusion brings the edges of the frame closer to the screen, enhancing the overall finish and image quality.

STANDARD SCREEN SURFACE NORTHVIEW 1.0+

An extremely versatile screen surface which can be utilized for most applications. With a gain of 1.0, this screen enables a wide angle of view (150°) while providing the color definition and picture quality that the motion picture studios intended you to see.

Also available:

- NorthView 1.4
- RearView
- DigitalView
- StereoView 3D

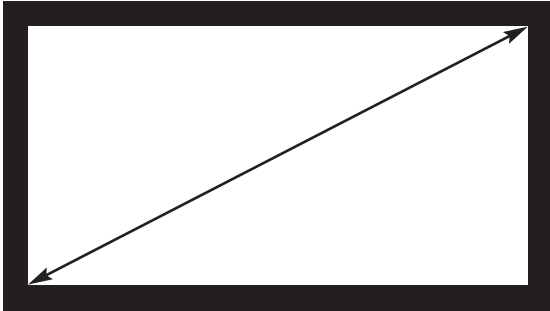

Each surface can be perforated if requested.

MOUNTING

All Viceroy screens come with brackets for wall mounting.
