

POLICINE SERIES MOTORIZED SCREEN

THE HIGHEST QUALITY

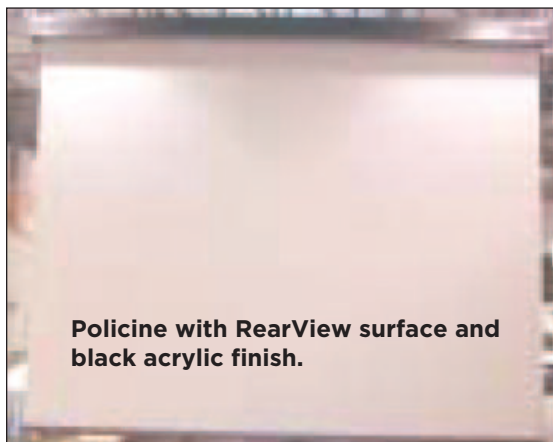

Quality, value, and customer service have made Strong / MDI a world leader in the cinema screen business. The Strong / MDI Policine screen has been designed and manufactured using the same care used to make our line of cinema screens. Strong / MDI supplies cinemas World Wide with high quality screens. Our products are used and trusted by major theatre chains, specialty theatres, and the large format industry.

LOOK FOR THE VALUE

The Strong / MDI Policine screen is the best value available when budgeting for a home theatre. Options that cost hundreds of dollars on other models come standard on the Policine at no additional cost. Strong / MDI stand by his products and are fully guaranteed.
